

Registration Information

Summer Day Camp is a program of Harvest Child Development Center. Enrollment is done at HCDC's office and is for students who have completed kindergarten thru 13 years of age. This year's program is twelve weeks and consists of six two-week themed units. Campers will receive one vacation voucher to use in lieu of paying tuition for any calendar week that they will not be in Summer Day Camp.

NEW—To provide flexible options, we now accept “drop-in’s” for single weeks! We no longer offer two week sessions, but will allow Campers to “drop-in” when full-time Campers are scheduled for vacation. Call for more info on our drop-in option.
