

## Registration Information

Summer Day Camp is a program of Harvest Child Development Center. Enrollment is done at HCDC's office and is for students who have completed kindergarten thru 13 years of age. This year's program is eleven weeks and consists of five two-week themed units and a one-week unit. Full-time Campers receive one vacation voucher to use in lieu of paying tuition for any calendar week that they will not be in Summer Day Camp.

To provide flexible options, we accept "drop-in's" for single weeks! Campers may "drop-in" when full-time Campers are scheduled for vacation. Call for more info on our drop-in option.
